

GAME 1 - 4v4 Rhino Line

Rules-	Purpose/Objectives:
<ul style="list-style-type: none"> -Two players from each team start on either side of the rhino line (line dividing the field in half) -Players may run the full length of the field but may not cross the rhino line (this essentially forces both sides to play in pairs) - Players can throw the ball to teammates on other side of the rhino line -Scoring: - 1 point for any goal - 2 points given for goal by player using inside hand 	<ul style="list-style-type: none"> -Teaching the two-man game -Forcing dodgers to the outside -Finishing w/ the inside hand
Modifications for practice:	
<ul style="list-style-type: none"> -Require a certain number of passes across rhino line before players can shoot -Every time the ball crosses the rhino line players must utilize a pick before shooting 	
Coach's Notes:
